

Studio Etiquette

1. Respect your teacher and classmates

Please listen to your teacher and do not talk when he/she is talking.

Use an "inside voice" always, no yelling in the gym or classrooms.

Do not come to class sick. (Remember that you may only make-up classes missed due to illness. Call the office to schedule make-ups.)

Please dispose of all gym/candy and non-water beverages before entering classrooms or the gym.

2. Treat our Studio with respect

Please put all belongings in lockers or cubbies and dispose of trash in the appropriate receptacle.

Young children must be supervised to ensure that they are not in unoccupied classrooms or causing damage to furniture and/or equipment.

No running or "outside voices" allowed, sound travels and is very disruptive to our teachers and students.

Children under the age of 12 should not be dropped off early for class.

Please note that only registered students may enter the classrooms and/or gym areas, and no street clothes/shoes or dangling jewelry are allowed.

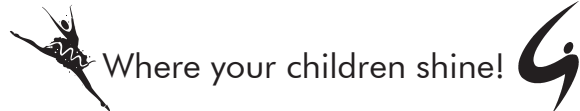

3. Be a courteous student

Please wait until your teacher opens the door to enter the classroom or gym.

And for parents of younger students, if your child is under the age of 4, a parent/guardian must stay in the lobby during class time to help with bathroom duties, changing of shoes/costumes, new class anxiety, and/or injury.

As always, please call the Studio if you have any questions or concerns.
